### *Who I Am*

One thing I've learned over the years since founding Petite2Queen and Future Forward Sales is that I am passionate about supporting and helping individuals become the very best version of themselves. I've LOVED empowering so many people to show up as their very best self in life and in their career.

Using my experience and skills I've cultivated over years of corporate life, I am focused on catapulting sales teams and educating individuals every day to superior performance and success. I am committed to lifting business leaders with the ingredients for growth and a profitable sales recipe.

### *About My Background*

My career began in sales, and soon I was closing multi-million dollar deals with Fortune 1,000 companies. Using my sales and leadership success I moved into executive positions and eventually the C-suite.

### *Expert Focus*

I've been on hundreds of podcasts, and featured in USA Today, HuffPost, and the Chicago Tribune, sharing my insights on sales and leadership.
